

MultiSphere

✓ Insurance (General & Health) ✓ Investments ✓ Taxation ✓ Loans

Who are we?

MultiSphere is an initiative to develop a culture of savings. It is an initiative with a plinth to enhance financial decisions. We help people to safeguard against uncertainties, to earn more, to get financial supports and to spend money and time rationally. In this modern digital era, there are too many products available in this market being sold by number of companies. On the top of it, there are so many people, agents, brokers, articles who miscommunicate. We aim to become most trusted partner who constantly add value in all your financial decisions – Insurance, Investments, Loans.

How are we different?

- ✓ Over two decades of expertise
- ✓ Get the best coverage at the right premium
- ✓ Great Claim Settlement team
- ✓ All Services under a single roof
- ✓ End-to-end responsibility for your lifetime – always there with family
- ✓ Help you to take right financial decisions
- ✓ Doorstep consultation – all 7 days a week
- ✓ Expertise in Fixed & Guaranteed Returns

General Insurance – Commercial Establishment

History has witnessed a number of glorious business shattering to ground just because they didn't adequately cover their unforeseen risks. It is also true that it happens to only a few but what guarantee one have that it would never be their business. A characteristic of unforeseen event is that whenever it comes it comes from all sides so why not cover it up?

Life Insurance - Term Plan

Generally people confuse it only by early death but actually it is much more. We help you keep your and your family well being at both of the following unforeseen events:

1. **Early death (both natural and unnatural)** – Along with emotional turmoil, consider financial crunch impact on your family.
2. **Late death** – Yes! Living too long is also painful for yourself and your family.
